FUN IN THE SUN PASSPORT

ON-SITE ACTIVITIES & EVENTS

WINTER 2019/2020

LET'S GO ON AN ADVENTURE

This passport is your ticket to a world of exciting events and activities happening right here at the resort.

Each day throughout your stay, you can enjoy a full schedule – both for kids and the young at heart!

Carry this passport with you to earn points for participating in our programs. Once you've racked up enough, you can redeem them for prizes at the Activity Center or save them for your next visit to any Hilton Grand Vacations Orlando resort. Just remember to ask a Recreation Team Member to stamp your passport after each activity you attend.

Be sure to check in with our Recreation Team for additional events and excursions not listed in this passport.

Thanks for joining us!

RESORT SWIMMING POOL SAFETY

An important reminder from the National Drowning Prevention Alliance and Hilton Grand Vacations*

Among children, drowning is the second leading cause of accidental death.

Child drowning happens suddenly and usually quietly.

Close, continuous supervision within arm's reach of your child is the most effective way of preventing drowning.

Use multiple layers of protection to prevent drowning and keep your family safer.

DROWNING PREVENTION TIPS

- Remain within arm's reach of children while they are in and around the pool.
- Pay close attention to your family at all times around water. Don't allow yourself to become distracted.
- Parents and caregivers should be responsible for supervision at all times. Don't assign siblings the responsibility of supervision.
- When arriving at a pool, take time to read and then follow the posted rules.
- Determine the water depth and remain in shallow water. Remember that, even in shallow water, drowning can still occur.
- Have your child wear a properly fitted U.S. Coast Guard certified lifejacket.
- Pool toys such as water wings and other flotation devices are not substitutes for U.S. Coast Guard approved lifejackets. They should not act or be relied on as drowning prevention tools.
- Only enter the water feet first; do not dive headfirst or engage in dangerous activities such as "horseplay."
- Learn CPR, First Aid and water rescue methods.
- Enroll your child in swim lessons to learn survival skills, but continue close supervision regardless of their swimming ability.
- Wear sunscreen and remain hydrated.
