Aloha, Again
Know Before You Go

State of Hawaii
COVID-19 VERIFICATION PROCESS

Before arrival to Hawaii, you must **upload a valid, negative COVID-19 test** from a trusted travel partner to the Safe Travels website.

OR

Self-quarantine, beginning the day you arrive and lasting for 14 days or the duration of your stay (whichever is shorter).

LEARN MORE

Before Traveling
Complete the Online Pre-Travel Screening

1 Create an account on the Safe Travels website

**2** Enter your trip details to receive a QR code for each leg of your travel

3 Upload your documents, including COVID-19 test results and a recent photo

4 Complete the Travel Health Questionnaire 24 hours before departure

5 Check your email for your QR code after submitting the questionnaire

6 Have your documents ready to speed your process at the airport

At The Airport
Documents Checklist

- ☑ Your QR code (via your mobile or on paper)
- ☑ Valid, government issued ID
- ☑ Cellphone for checkpoint verification
- ☑ Any quarantine exemption paperwork
- ☑ COVID-19 test results

Start Your Vacation

Sign into your State of Hawaii account to find your **Safe Travel Exemption Information** under the **Trips** tab

Present it to your ground transportation and accommodations to prove you're quarantine-exempt
